By Jack Purdum Ph.D., Dennis Kidder : Arduino Projects for Amateur Radio (Electronics) the aprs amateur radio network passes along digital data packets sent by your transmitter so you can track its location local repeater stations digipeaters 79 useful links about amateur radio arduino projects collected in technical referencearduino at the dxzone Arduino Projects for Amateur Radio (Electronics):

3 of 3 review helpful Where Are the Errors By DLS While some of the projects seem very interesting the first thing I did was go to the Errata webpage as explained in the preface www.mhprofessional.com/arduinohamradio I couldn't find any errata Their own website www.arduinoforhamradio.com for discussion of projects turns up a blank U S Microwave page I understand books such as this are published on a very short ti BOOST YOUR HAM RADIO S CAPABILITIES USING LOW COST ARDUINO MICROCONTROLLER BOARDS Do you want to increase the

functionality and value of your ham radio without spending a lot of money This book will show you how Arduino Projects for Amateur Radio is filled with step by step microcontroller projects you can accomplish on your own no programming experience necessary After getting you set up on an Arduino board veteran ham radio operators J About the Author Dr Jack Purdum W8TEE Cincinnati OH has been a licensed ham since 1954 and is the author of 17 programming books He retired from Purdue University s College of Technology where he taught various programming languages Dennis Kid
