By Walter Savitch : Problem Solving with C++ plus MyProgrammingLab with Pearson eText-- Access Card Package (9th Edition) Problem Solving with C++ plus MyProgrammingLab with Pearson eText-- Access Card Package (9th Edition):

7 of 7 review helpful Circular reading By Jessica Smith While there are sometimes many examples this book will drone on and on over something it could ve explained in a sentence or two Which makes it really hard to sit and read for 20 80 pages at a time without zoning out 11 of 11 review helpful Good text same as previous editions By ian

Customer Not a great b NOTE Before purchasing check with your instructor to ensure you select the correct ISBN
Seve About the Author Walter Savitch is Professor Emeritus of Computer Science at the University of California
mdash San Diego He received his PhD in mathematics from the University of California mdash Berkeley in 1969
