1 of 1 review helpful Why learn this stuff the hard way By Lantana Al I m a C developer and should have read this book a long time ago It was very helpful in improving my C knowledge I knew I didn t know everything about C and

needed to learn more and this book and a couple of others mentioned below got me on my way to learning more Of course I still don t know everything about C and probably never will but ldquo Every C professional needs a copy of Effective C It is an absolute must read for anyone thinking of doing serious C development If you rsquo ve never read Effective C and you think you know everything about C think again rdquo mdash Steve Schirripa Software Engineer Google ldquo C and the C community have grown up in the last fifteen years and the third From the Back Cover Every C professional needs a copy of Effective C It is an absolute must read for anyone thinking of doing serious C development If you ve never read Effective C and you think you know everything about C think again Steve
