By Shai Vaingast : Beginning Python Visualization: Crafting Visual Transformation Scripts (Books for Professionals by Professionals) the roomba 900 series offers a clean map report which maps your home as it vacuums improving its movement and telling you how well it 12202016 053800 4262016 062800 4262016 062100 4262016 062100 4262016 062100 1112016 054700 4262016 062700 4272016 062500 Beginning Python

Visualization: Crafting Visual Transformation Scripts (Books for Professionals by Professionals):

0 of 0 review helpful Very good intro to data logging parsing and visualizing By D George Most of this book is dedicated to common data log creation storage and parsing One of the things that I like is the keep it simple and practical which is very common in the real world Simple suggestions like keeping the logfiles and data human readable as well as using very self describing filenames These are just a few of We are visual animals But before we can see the world in its true splendor our brains just like our computers have to sort and organize raw data and then transform that data to produce new images of the world Beginning Python Visualization Crafting Visual Transformation Scripts discusses turning many types of small data sources into useful visual data And you will learn Python as part of the bargain About the Author Shai Vaingast has been an engineer an engineering manager and a director of engineering since 1993 He has worked in the defense industry and in medical engineering while being heavily involved with data visualization He holds a patent and h
