**By Mark Pilgrim : Dive Into Python** this book lives at if youre reading it somewhere else you may not have the latest version questo libro disponibile allindirizzo web potrete anche trovarlo da qualche altra parte ma potrebbe non essere lultima versione rilasciata dall Dive Into Python:

14 of 14 review helpful Do not buy the printed version By christopher williams I bought the print copy of Dive Into Python 20 May 2004 and regret it The 2009 SoHo Books edition is just a reprint of an earlier edition it isn t updated for current production Python The book is only current to Python 2 3 or so at the time of this review current production Python is 2 7 2 There are instructions for Quick start to learning python very example oriented approach Book has its own Web site established by the author <http://diveintopython.org> Author is well known in the Open Source

community and the book has a unique quick approach to learning an object oriented language
